

## Presentations:

April 2008 Seminar

**'Development and Implementation of Novel Glycobiology Methods'**

C.L. Feasley; at Dept. of Chemistry, OU Norman

Nov. 2008 Poster

**'Core Laboratory at the Oklahoma Center for Medical Glycobiology'**

C.L. Feasley & C.M. West; at 2008 Society for Glycobiology Annual Meeting, Fort Worth TX

Nov. 2008 Poster

**'N-Glycosylation of gp130 Implicated in Cell Interactions in *Dictyostelium*'**

C.L. Feasley, C.M. West & C.P. Chia; 2008 Society for Glycobiology Annual Meeting, Fort Worth TX

May 2009 Poster

**'Core Laboratory at the Oklahoma Center for Medical Glycobiology'**

C.M. West; 2009 IDeA Central Region Conference (Oklahoma, Nebraska, N. Dakota, S. Dakota, Kansas) Skirvin Hilton, Oklahoma City, OK

Aug. 2009 Poster

**'N-Glycosylation of gp130 implicated in cell interactions in *Dictyostelium*'**

C.M. West; 2009 Annual International *Dictyostelium* Conference, CO

July 2009 Talk

Invitation to speak about **MS-approaches to glycomics and glycoproteomics** at

Bruker Workshop (C. Feasley, declined for scheduling conflict)

May 2009 Poster

Central States Regional IDeA Meeting (OKC): C.L. Feasley, J.M. Johnson & C.M. West,

**Core Laboratory at the Oklahoma Center for Medical Glycobiology**
