The Eighth
G. RAINEY WILLIAMS
SURGICAL SYMPOSIUM

September 11, 12 and 13, 1997
The University of Oklahoma
Health Sciences Center
and
The Waterford Marriott Hotel
Oklahoma City, Oklahoma

Developed by
The Department of Surgery
University of Oklahoma College of Medicine

In conjunction with
The Office of Continuing Medical Education
University of Oklahoma College of Medicine
The Eighth G. Rainey Williams Surgical Symposium will honor the life and career of Dr. Williams, which encompassed 39 years of service to the Department of Surgery and the University of Oklahoma. His dedication to surgery and to surgical education has impacted the lives of hundreds of students, residents and practicing surgeons, helping to shape the present day practice of surgery.

This Symposium will focus on current concepts in the surgical management of trauma and vascular diseases, including aneurysms, infected aortic grafts and carotid endarterectomies, as well as esophageal surgery. In addition, a review of current diagnostic and therapeutic treatments of breast cancer will be included.

Saturday’s program will be dedicated to remembering the rich history of the Department of Surgery and the University of Oklahoma Health Sciences Center. The program will begin with a historical review, followed by the dedication of the DuVal Research Conference Room, and conclude with a tribute to Dr. Williams. Merlin K. (Monte) DuVal, M.D., former Department of Surgery Professor and Vice Chairman, will join us for the dedication of the Conference Room and will share his reflections on the Department of Surgery and the Health Sciences Center during the late 50s and early 60s.

The Symposium will continue to provide an excellent forum for the scientific exchange of ideas, as well as provide an opportunity for surgeons with ties to the University of Oklahoma to return to the campus. The guest faculty are internationally recognized surgeons.

The headquarters will again be The Waterford Marriott Hotel and transportation will be provided to and from the hotel when the scientific sessions are scheduled at the Health Sciences Center.

The annual meeting of the Oklahoma Chapter of the American College of Surgeons and the biennial meeting of the University of Oklahoma Surgical Society will be held in conjunction with the Symposium. The ACS will have a luncheon and business meeting at noon on Friday at The Waterford. The UOSS will host a cocktail reception on Wednesday evening and will have a breakfast and business meeting on Saturday morning at The Waterford.

We acknowledge the assistance of the following organizations:
The Oklahoma Chapter, American College of Surgeons
The Oklahoma City Surgical Society
The University of Oklahoma Surgical Society
The Oklahoma Surgical Association

General Information

COURSE DESCRIPTION
This symposium will focus on current concepts in the management of several problems frequently encountered in surgical practice and should be of interest to the practicing surgeon and those involved in both preoperative and postoperative care of patients. One session will be directed to both general and thoracic surgeons and will focus on diseases of the thorax.

COURSE OBJECTIVES
At the completion of this Symposium, the participants should:

1) be aware of current controversies in carotid and aortic vascular surgery
2) have an understanding of the principles of nutritional support in the critically ill
3) have learned current concepts in the diagnosis and treatment of breast, cardiac, pancreatic and hepatic malignancies
4) have an overview of the history of esophageal surgery compared to modern day principles and practice
5) be aware of the indications and techniques for advanced laparoscopic surgery of the adrenal and spleen and saphenous vein
6) be able to evaluate closure techniques for complex abdominal wall defects
7) understand the special considerations when operating on the pregnant patient
8) have an overview of the diagnostic and therapeutic difficulties in retroperitoneal trauma
9) have acquired knowledge about the causes, diagnosis and control of necrotizing fasciitis.

CREDIT
The University of Oklahoma College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

The Office of Continuing Medical Education of the University of Oklahoma College of Medicine designates this continuing medical education activity as meeting the criteria for 14 credit hours in Category I of the Physicians’ Recognition Award of the American Medical Association.

REGISTRATION and FEES
The registration fee of $375 includes continental breakfasts, luncheons on Thursday and Friday, and the banquet on Friday. Registration fee for residents and fellows is $150. Additional banquet reservations are $60 each. All but $50 of the registration fee is refundable if inability to attend is made known prior to September 2, 1997. Fill out the attached Symposium Registration Form and return it to the indicated address.

HOUSING
A limited number of rooms have been reserved at the group rate of $85 per night at The Waterford Marriott Hotel, 6300 Waterford Boulevard. Executive Suites are also available at $149 per night. Reservations may be made by calling (405) 848-4782 directly or by completing the attached Group Reservation Form and sending it directly to The Rainey Williams Surgical Symposium to receive the group rate. This block of rooms will be held until August 20, 1997, after which time reservations will be accepted on the basis of availability and at the regular hotel rates.

PARKING
For registrants who will be driving, surface and underground parking is available at The Waterford. For the scientific sessions at the Health Sciences Center Library, parking is available in the J Lot at the south side of the Library, 1000 Stanton L. Young Boulevard. A map designating the parking area at OUHSC will be mailed to each registrant.

TRANSPORTATION
The Waterford Hotel has van service to/from the airport. Contact the hotel in advance (405) 848-4782 to make arrangements.

Charter transportation service to/from The Waterford/Health Sciences Center is as follows:

Thursday, September 11 7:30 A.M. Depart Waterford for HSC
Thursday, September 11 5:15 P.M. Depart HSC for Waterford
Saturday, September 13 8:30 A.M. Depart Waterford for HSC
Saturday, September 13 11:30 A.M. Depart HSC for Waterford

EMERGENCY CALLS
You can be reached during the conference hours on Thursday and Saturday at (405) 271-2093 (Library) and Friday at (405) 848-4782 (Waterford) or a message can be left at (405) 271-5781 (Department of Surgery) during that time.

For further information contact:
Ronald A. Squires, M.D./Sharon Gammill — (405) 271-5781
Department of Surgery — P.O. Box 26901
Oklahoma City, Oklahoma 73190
