As Program Chairman of the Symposium and President of the University of Oklahoma Surgical Society it gives me great pleasure to invite you to attend the Eleventh G. Rainey Williams Surgical Symposium September 17 - 20, 2003. This year's symposium will take place at the University of Oklahoma Health Sciences Center Robert M. Bird Library and the Oklahoma City Marriott.

If you have attended our surgical symposium in the past, you know it is a great educational opportunity and also a chance to renew old acquaintances. For those of you who enjoy golf, the 2003 Symposium will kick off with a golf outing on Wednesday afternoon, September 17, at the Jimmie Austin OU Golf Course in Norman. Wednesday evening everyone is invited to join us for a Welcome Reception at the Oklahoma City Marriott.

We will convene at the University of Oklahoma Health Sciences Center on Thursday for both education and celebration. The morning scientific session will feature presentations on surgical oncology by our guest faculty and local speakers. Thursday afternoon we will celebrate the Fiftieth Anniversary of the Oklahoma City Veterans Administration Medical Center.

Friday's sessions will be at the Oklahoma City Marriott and will highlight trauma and critical care. We will have a separate concurrent session on cardiothoracic surgery. The Oklahoma Chapter of the American College of Surgeons annual luncheon and business meeting will be held at 12:30 on Friday, September 19. We hope you will join us for the Banquet Friday evening in the Grand Ballroom of the Oklahoma City Marriott.

The University of Oklahoma Surgical Society business meeting and breakfast is Saturday morning at the Oklahoma City Marriott.

The Symposium will conclude on Saturday at OUHSC with Surgery Grand Rounds and the Fourth G. Rainey Williams Lecture “Improving on Improvement: Paths to Improvement in Surgery”, given by Robert G. Johnson, M.D.

Developed by the Department of Surgery, University of Oklahoma College of Medicine, in conjunction with the Irwin H. Brown Office of Continuing Medical Education at the University of Oklahoma, the Eleventh G. Rainey Williams Surgical Symposium has been designated for up to 19.25 Category I CME credits.

G. RAINEY WILLIAMS
Surgeon, Teacher, Mentor and Friend

The Eleventh G. Rainey Williams Surgical Symposium honors the memory and heritage of Dr. Williams and his lifelong commitment to surgical excellence which has influenced multiple generations of medical students and surgeons.

Dr. G. Rainey Williams joined the University of Oklahoma surgical faculty and succeeded Dr. John Schilling as chairman in 1974. He served with distinction until his retirement in 1996.
OBJECTIVES
The objectives of the Symposium are to update those who attend on recent developments and current standards of care on the following surgical subjects:

- An update on surgical, radiation, and chemotherapeutic treatment of malignancies with special attention to soft tissue sarcomas, rectal cancer, and pancreatic cancer.
- An update on vascular surgery including treatment of thromboembolic disease, recent experiences with endovascular stents, and angiogenesis gene therapy in vascular surgery.
- A session on trauma and critical care with special attention to indications for surgical treatment of pediatric trauma, the treatment of abdominal compartment syndrome, and a surgical perspective by a Veteran of the recent Iraq war.
- A session on minimally invasive surgery which will include minimally invasive vein surgery, laparoscopic donor nephrectomy, and bariatric surgery in patients with gastroesophageal reflux disease.
- A session assessing the results of inferior vena caval filters presented by a non-surgeon, an update on considerations in bioterrorism, and treatment of primary hyperparathyroidism.
- A review of the surgical treatment of benign biliary strictures and recent developments in ECLS.
- Two sessions which will update recent developments in surgical education with particular emphasis on the 80 hour work week and the future of surgical residency training.

A concurrent session will be presented on cardiothoracic surgery which will address the use of using internal mammary arteries, off-pump bypass in elderly patients, surgical experiences of off-pump coronary bypass at the Veteran’s Affairs Medical Center, and valvular replacements. Also included in the cardiothoracic surgery session will be presentations on thoracic outlet syndrome, ascending aorta replacement, and current status of solid organ transplants in Oklahoma.

ACCREDITATION
The Eleventh G. Rainey Williams Surgical Symposium is an open meeting sponsored by the Department of Surgery and the Office of Continuing Medical Education of the University of Oklahoma College of Medicine.

The University of Oklahoma College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

The Office of Continuing Education of the University of Oklahoma College of Medicine designates this continuing medical education activity as meeting the criteria for up to 19.25 Category I CME credits. Each physician should claim only those credits that he/she actually spends in the activity.

HOTEL
The Oklahoma City Marriott’s suburban location at 3233 Northwest Expressway offers easy access to major highways with shopping just five minutes away. Each guestroom is equipped with remote control TV, phones with voice mail and multiple data ports. There are three restaurants, an exercise room, and indoor pool for your convenience.

To make reservations, telephone the Oklahoma City Marriott at 405-842-6633 (mention The G. Rainey Williams Surgical Symposium to receive the group rate). The block of rooms will be held only until August 27, 2003, after which time reservations will be accepted on the basis of availability.

PARKING
For registrants who will be driving, parking for the Scientific Sessions at the Health Sciences Center is available in the J Lot at the south side of the Robert M. Bird Library on the corner of N. Stonewall and 10th Street. Overflow parking is available in L Lot, north of the College of Pharmacy and east of the Dental School. A map designating the parking areas at OUHSC will be mailed to each registrant.

Complimentary onsite parking is available at the Oklahoma City Marriott. The hotel does not have an airport shuttle van. Airport Express (405)681-3311 or taxis are available.

EMERGENCY CALLS
You may be reached during the conference hours by calling the Department of Surgery office (405)271-5781. Messages received will be relayed to you by the Symposium staff.
