ITEMS TO BRING TO YOUR APPOINTMENT Phone 405.271.5918
Hours 6:30am - 5:00pm

Patients receiving anesthesia or sedation must check-in at Outpatient Surgery 2-hours prior to the appointment time to allow sufficient time for their pre-anesthesia assessment and procedure preparation.

- A biological parent or legal guardian must attend the appointment with a minor child and present a driver's license or other official photo ID. Some limited exceptions apply. Legal guardians must also bring a copy of the guardianship documents. Please call the number listed above as soon as possible if you have questions about this requirement.
- Bring the patient's current health plan card(s)
- If required at the time of service by your health plan(s), payment of co-pay or co-insurance fees can be made with Visa, MasterCard, Discover, cash or personal check.
- Bring a complete list of current medications.
- No solid food intake within 8 hours prior to the appointment time.
- No bottled milk or formula intake within 6 hours prior to the appointment time.
- No breast milk intake within 4 hours prior to the appointment time.
- No clear liquid intake within 2 hours prior to the appointment time.
- See procedure-specific instructions on separate form.
