ANESTHESIOLOGY

2013 Advances In Anesthesiology and Critical Care Symposium
In Honor of Grace Hassler, M.D.

Saturday, April 20, 2013
OU Health Sciences Campus at the Samis Education Center
The Rainbolt Family Auditorium
The Children’s Hospital
1200 Children’s Avenue, Oklahoma City

Featuring Special Guest Lectures by:
Richard P. Dutton, M.D., M.B.A.,
Executive Director, Anesthesia Quality Institute, Park Ridge, Illinois

Sponsored by:
OU College of Medicine
The University of Oklahoma Health Sciences Center

Presented by:
The Department of Anesthesiology in conjunction with the Office of Continuing Professional Development

Register online at cme.ouhsc.edu
2013 Advances In Anesthesiology and Critical Care Symposium
Saturday, April 20, 2013

7-7:50 a.m.  Registration and Breakfast
7:50-8 a.m.  Welcome and Announcements
             Pamela R. Roberts, M.D.
             and Judith L. P. Handley, M.D.
8-8:45 a.m.  Local Anesthetic Systemic Toxicity:
             From Death Sentence to Next Day Discharge
             Mehmet S. Ozcan, M.D.
8:45-9:30 a.m.  The Anesthesia Quality Institute
                and Databases in Anesthesiology:
                Improving Our Practice
                Richard P. Dutton, M.D., M.B.A.
9:30-9:45 a.m.  Question and Answer Session
9:45-10 a.m.  Mid-Morning Break
10-10:30 a.m.  Anesthesia and the Environment
                Judith L.P. Handley, M.D.
10:30-11:30 a.m.  CLINICAL FORUM: PEDIATRIC CASE
                  PRESENTATIONS
                  Moderator: Inger P. Aliason, M.D.
                  Case: It’s Just a Little Congestion - The Upper
                      Respiratory Infection Dilemma
                      Presenter: Jewel D. Montgomery, M.D.
                  Case: A Cleft Lip Repair and a Little Bit More
                      Presenter: Faiz Nasser, M.D.
11:30 a.m. - 12 p.m.  The Surgical Home:
                      A New Horizon for Anesthesiologists
                      Amanda M. Gomes, M.D.
12-12:15 p.m.  Question and Answer Session
12:15-1 p.m.  Lunch
1-2 p.m.  FUNdamentals of Anesthesiology:
          An Interactive Lecture
          Edward S. Kosik, D.O.
2-3 p.m.  The Hemorrhaging Patient:
          Optimizing Use of Blood Products
          Richard P. Dutton, M.D., M.B.A.
3-3:15 p.m.  Question and Answer Session
3:30-4:15 p.m.  Acute Pain Management in Special Populations
                Matthew D. Cohen, D.O.
4:15-5:15 p.m.  CLINICAL FORUM: ADULT CASE PRESENTATIONS
                Moderator: Pramod K. Chetty, M.D.
                Case: Anesthetic Management of a Neck Hematoma Evacuation
                Presenter: Michael W. Roberts, M.D.
                Case: Anesthetic Consideration for Cesarean in a Parturient with Narcolepsy-Cataplexy
                Presenter: Casey Windrix, M.D.
5:15-5:30 p.m.  Question and Answer Session
5:30 p.m.  Closing Remarks
             Pamela R. Roberts, M.D.
             and Judith L. P. Handley, M.D.

Accreditation information is available at cme.ouhsc.edu
Register for the Symposium

(Medical Students should call the department at 405-271-4351)

Registration cost includes continental breakfast, lunch and snacks during breaks.

Early registration through April 10, 2013

Register online at cme.ouhsc.edu, at the event, or by calling 405-271-2350.

The symposium will be held on the OU Health Sciences Campus at the Samis Education Center, The Rainbolt Family Auditorium, The Children's Hospital, 1200 Children's Avenue, Oklahoma City, OK 73104.

Target Audience: Anesthesiologists, Critical Care Specialists, CRNA's, Nurse Practitioners, PA's, and College of Medicine students.

Course Goal: The purpose of this educational activity is to improve the perioperative care of surgical and critically ill patients by closing common clinical practice gaps that have been identified across the country.

Overall Course Objectives: At the end of the symposium, participants should be able to improve patient outcomes by being able to:

✔ Describe research-based evidence and rationale of current perioperative modalities
✔ Evaluate diagnostic techniques, monitoring methods, and therapeutic strategies for age appropriate care
✔ Formulate patient specific treatment plans for high risk populations
✔ Apply data for practice improvement and optimal patient outcomes in anesthesia and critical care

Accreditation information is available at cme.ouhsc.edu

All presentations and other materials will be provided on USB drives issued at the registration table. Free Wi-Fi will be available in the conference and lobby area. Laptops will not be provided. Conference presentations will not be available in print. Printing will not be available at the conference.
