St. Mary's Regional Medical Center is recruiting a NP / PA for a hospital-employed position with a new psychiatric practice in Enid, OK. The practice has been open for a few months, and provides care in the hospital’s new 15-bed inpatient adult unit. Current staff includes one Psychiatrist and an LPN. The position will assist with call coverage on a 1:2 rotation, as well as assist with psych evaluations and medication management. The inpatient unit opened in fall 2015, and enjoys the strong support of community counseling agencies, law enforcement and family medicine providers. Ideal candidates will have prior experience in a psychiatric setting. Compensation will include a competitive base salary plus productivity bonus; full employed benefits package; signing bonus and relocation.

St. Mary's Regional Medical Center is a 229-bed facility and is one of the two hospitals in Enid. It serves ten county service areas with a population of approximately 200,000. Most specialties are represented on the medical staff.

Just 90 miles from Oklahoma City, Enid offers many of the advantages of larger cities without the associated high cost of living. One of Good Morning America's "Top 5 Up and Coming Cities", Enid offers the best of Midwestern living - fine dining, shopping, historical sites, and recreational activities in abundance. If you're looking for exceptional quality of life, consider Enid. You'll see why we're known as the "Bright Star of the Great Plains"!

KidzCare Pediatrics, PC, is an expanding group practice with 17 pediatric clinics in North Carolina, with our 18th location opening in June 2016. Currently, there are 6 locations in Cumberland County (Fayetteville, Hope Mills, Spring Lake), and we have clinics in Sanford, Burlington, Franklin, Lillington, St. Pauls, Greensboro, Wilmington, Hampstead, Leland, 2 locations in Charlotte, and coming soon Oak Island location North Carolina. We have 21 full time pediatricians, 8 full time PA’s, 3 CPNP’s, and 120+ full time employees, state of the art new office buildings with child friendly themes. Our office hours are 8:30am-5:00pm Monday
– Friday with extended hours on Wednesday evenings until 7:00pm.

At KidzCare Pediatrics, our mission is to provider high quality comprehensive healthcare services to infants and children of each community without regard to race, color, religion, nationality, and ability to pay. In addition to serving our patients throughout North Carolina, we also provider services to our military families from Ft. Bragg and we strongly support our military service members and their families.

We are the largest pediatric group practice in North Carolina and we are also the top performers of CCNC quality initiatives and performance improvement programs. These initiatives have enabled North Carolina to save almost 90 million dollars in the state Medicaid program without spending additional money.

We have opening in the Cumberland county and surrounding areas.
KidzCare Pediatrics, PC is an NCQA certified Patient Centered Medical Home at 10 of our 17 locations. The patient-centered medical home is a way of organizing primary care into “what patients want it to be.” Patient Centered Medical Homes lead to higher quality and lower costs, and can improve patients’ and providers’ experience of care.

Please be advised that hospital call schedules differ by location.

We have open partnership track, excellent benefits, CME, retirement, vacation, productivity incentives, and relocation assistance.

Openings available across the state of North Carolina. Salary Information:
- $130,000.00 to $150,000.00 for MD, DO
- $70,000.00 to $90,000.00 for APRN, CPNP, PA-C

Feel free to contact me regarding employment opportunities with KidzCare Pediatrics, PC: Rebecca Wright, Physician Recruiter

PA or NP HOSPITALIST
Employment Opportunity

McAlester Regional Health Center
McAlester, OK

FACILITY PROFILE
McAlester Regional Health Center provides high quality, individualized patient care to McAlester and the surrounding Southeastern Oklahoma region. McAlester Regional's 171 bed not-for-profit health care facility is approved and recognized by DNV Healthcare Inc., American College of Radiology, College of American Pathologists and the Commission on Accreditation for Rehabilitation Facilities. Additionally, MRHC's Active Medical Staff offers a wide range of medical specialties including: Allergy, Anesthesiology, Cardiology, Dermatology, Emergency Care, ENT, Family Medicine, Gastroenterology, General Surgery, Geriatrics, Gynecology,
Internal Medicine, Nephrology, Neurology, Obstetrics, Ophthalmology, Orthopedics, Pathology, Pediatrics, Physical Medicine and Rehabilitation, Podiatry, Psychiatry, Radiology and Urology. MRHC is devoted to a continuum of care offering a variety of health care services, community educational programs and support groups. More than 775 MRHC employees partner with physicians to provide care that makes a difference in the lives of patients and their families.

LOCATION
McAlester is a city in Pittsburg County, Oklahoma, United States. The population was 18,383 at the 2010 census. It is the county seat of Pittsburg County. It is currently the largest city in the Choctaw Nation of Oklahoma, followed by Durant. The town gets its name from J.J. McAlester, who later became Lt. Governor of Oklahoma and was immortalized as a character in the novel True Grit, which was then made into feature films in 1969 and 2010. There are tons to do locally. Spend your time on the lake, with its' 20 miles of shoreline. Explore nature with plenty of recreation in the public park. Try your luck at the Choctaw Casino or find treasures in the local antique district. McAlester is located one and a half hours from Tulsa and 2 hours to Oklahoma City.

Busy Dermatologist Seeks PA in Norman.
Part time, 1-3 days per week. Willing to train.
Please submit resume to nschultz@normanderm.com.
Questions can be directed to Natalie Schultz at 405-701-1010.

POSITION:

Associate Program Director

Department of Family and Preventive Medicine, Physician Associate Division.

SALARY:

Commensurate with rank and experience.

BEGINNING DATE:

Applications will be accepted until the position is filled.

RESPONSIBILITIES:

- Administrative: Manage, mentor and professionally develop Directors. Develop, manage, and direct peer teaching evaluation. Serve as intermediate level intervention regarding faculty, staff, and student concerns. Monitor and manage program related policies to maintain compliance and ensure equity (0.50 FTE).
- Academic: Advise and mentor students, coordinate course calendar, classroom teaching in area of expertise, participation in course assignments in a team teaching environment, developing student objectives, participating in lab sessions, participating in clinical quality improvement, guiding student directed research, and establishing a personal program of scholarly activity (0.30 FTE).
- Clinical (PA applicant): Consists of seeing patients in a clinical practice appropriate to training and background for two half day sessions per week for 46 weeks annually (0.20 FTE).

- Two years of clinical and teaching experience

ALTERNATIVE REQUIREMENTS for Non-PA APPLICANT:

- Ph.D. or Ed.D. in Education or related field
- Experience in administration, curriculum design, program evaluation, and student assessment
- Demonstrated history of scholarship, grant submission, and mentoring

preferred GENERAL INFORMATION:

The nationally recognized University of Oklahoma College of Medicine's Physician Associate Program invites qualified faculty applicants for the Director for Didactic Education. The PA Program is academically housed in the Department of Family and Preventive Medicine and the Program Director and faculty are accountable to the Chair of the Department as well as to the College of Medicine's Senior Associate Dean for Academic Affairs. The Oklahoma PA program, one of the first programs in the United States continuously accredited since 1972, offers a Master's in Health Sciences degree. The majority of students are from the Oklahoma region and stay in Oklahoma after graduation, but it attracts students from across the U.S.

The successful faculty candidate will be part of a highly motivated, cohesive faculty of experienced educators and clinicians, working as an interdisciplinary team to deliver a comprehensive PA curriculum focused on primary care and preparing students to practice in a variety of clinical settings. The successful candidate will work in collaboration with other PA faculty members within the Division and the College of Medicine to provide expertise and contribute to a collaborative working environment.

ADDRESS APPLICATION TO:
Letter of application and curricula vitae of interested candidates are being accepted immediately.

Search Committee Chair
Physician Associate Program
Balance Women’s Health is expanding. We are looking for an outstanding Physician Assistant to join our team! Email julie@balanceowmenshealth.com for more information and see below.

Physician Assistant needed for a growing women’s health practice centrally located just West of I-35 in Moore. We are located in a 5500 square foot residential style office building with 1 MD, 2 PA’s and 1 WHNP.

Balance Women’s Health is a growing private practice that combines the medical specialties of Reproductive Psychiatry (hormones and mood) and Women’s Health. We focus on finding the root cause of a patient’s symptoms and educating patients regarding treatment options and lifestyle modification. We accept commercial health insurance and do not participate in Medicare or Medicaid plans.

We primarily treat women with hormone related mood disorders including PMS/PMDD, Peri and Postpartum mood and anxiety disorders and perimenopausal disorders. We also treat women with depression, anxiety, ADHD, binge eating disorder and sexual dysfunction, among others. Please visit our website at www.balanceowmenshealth.com for more information.

We are looking for a Physician Assistant to help our practice operate efficiently while providing excellent patient care and an enjoyable environment. This position requires organizational and interpersonal skills, attention to detail, flexibility, maturity and drive. The primary responsibility for this positions is patient care but you may be required to participate in the implementation of organizational policies and procedures to meet objectives and practice goals.
This is a salary position based on experience. Our clinic hours are M-R 8:00 to 4:30 and F 8:00 to Noon. The day ends when all patient care duties are completed. It is not uncommon to be in the office until 5:15-5:30 M-R but we usually leave by 2:00 on Fridays. Expect to work approximately 38-42 hours a week.

This is a high energy position in a medically complex specialty; you must be hardworking, intelligent and physically and emotionally healthy.

We offer health insurance, retirement contribution match, 15 days PTO and a competitive salary. If you are looking for a challenge and a rewarding opportunity to help grow with an up and coming medical practice please submit a resume and cover letter to julie@balancewomenshealth.com.

Family owned and operated Family Practice medical office has an immediate opening for a fully licensed Physician’s Assistant to join our team. Our practice believes in comprehensive services for all members of our practice and therefore we combine the skills of a Physician, a Psychologist, Physician’s Assistants, Nurse Practitioners, Licensed Professional Counselors and a Speech and LanguagePathologist to care for our patient’s medical and psychological needs. We offer competitive salary/bonus structure and an excellent benefit package for qualified applicants.

Health Insurance w/ Prescription Card
Dental Insurance
Life Insurance
Vision Insurance
AFLAC Benefits
Paid Holidays
Annual Christmas Party
Annual Employee Retreat
Short Term Disability
Sick Leave Benefits
Vacation Benefits
Employer Sponsored Recreational Activities
Annual CME allotment and PTO to attend training

If you are interested in becoming part of a truly primary care practice, please send your resume to suzanner@pnfmc.com.

**Physician Assistant – Stephenson Cancer Center (full-time)**

Physician Associate Division, Department of Family and Preventive Medicine, 900 Northeast 10th Street, Oklahoma City, Oklahoma 73104-5420 • Phone: (405) 271-2058
Salary Range: $85,000 - $100,000

POSITION INFORMATION: Provides primary care to patients under the supervision of a Physician.

REPRESENTATIVE DUTIES:
Physician Assistance. Assists physician during the examination as needed. Ensures that all information is available to the physician. Accompanies physician on rounds and keeps informed of special orders concerning patients.

Sample Collection. Collects samples from patients including blood, urine, etc. Prepares samples for analysis or shipment.

Information Gathering. Takes and records various readings such as heart and respiratory rate, blood pressure, weight, body temperature, etc.

Patient Follow Up. Makes follow up patient appointments, or follows up on patient appointments. Answers routine questions from patients, family, etc.

Data Collection. Collects all laboratory reports, data, and records.

Medication Administration. Under direction of physician, administers medication to patients.

Collaboration. Collaborates with other healthcare professionals to provide efficient quality patient care. Evaluates and improves teaching and healthcare practices and recommends modifications.

Patient Education. Provides educational information to patients, family, etc.

Emergency Response. Responds to and intervenes in emergency situations such as anaphylaxis, hypoglycemia, hypotension, hemorrhage, respiratory distress, etc.

Personnel Supervision. Assumes lead role to ensure policies, procedures, and physician’s orders are followed. Directs and evaluates the work of some personnel that may include Clinic Clerks, Medical Assistants, and Nurses. Trains and schedules workloads of employees.

Patient Assessment. Assesses and monitors patient response to procedures and treatments. Reports patient condition and reaction to tests, drugs, treatments, and any significant incidents to the physician.

Specialized Testing. Performs specialized testing using physician-guided protocols such as
Captopril suppression, water deprivation, etc.

**Instruction.** Instructs medical personnel in the use of highly specialized research equipment, drugs, etc.

**Counseling.** Counsels patients and family about death, side effects of medication, therapy, etc.

**Research.** Participates in and contributes to research activities that are related to the area of specialization in which they are involved. Participates in conferences pertaining to the research area.

**Diagnosis.** Establishes diagnoses. Evaluates collected patient data and collaborates with the attending physician, consulting services, and extended healthcare team to form a diagnosis.

**Plan of Care.** Establishes the plan of care for patients by evaluating all pertinent information and collaborating with healthcare team.

**Implementation of Care.** Implements the plan of care by writing patient care orders when within the scope of the practice or by verbal order from the physician. Orders diagnostic tests and procedures, medication, consultations, work-ups, etc.

**As Needed.** Performs various duties as needed to successfully fulfill the function of the position.

**Qualifications**

- **REQUIREMENTS:**

**Education:** Master's degree from an accredited Physician Assistant Program

**Certifications/Licenses:** Physician’s Assistant certification and Oklahoma State Board of Medical Licensure as physician assistant or ability to obtain temporary authorization to practice within 60-days.

**Required Attachments:** Resume, Other Document

**Special Indications:** Hiring contingent upon background check

"The University of Oklahoma is an EO/AA Institution [http://www.ou.edu/eoo/]. Individuals with disabilities and protected veterans are encouraged to apply." 

POSITION:

Principal Teaching Faculty

Department of Family and Preventive Medicine, Physician Associate Division.

SALARY:

Commensurate with rank and experience.

BEGINNING DATE:

Applications will be accepted until the position is filled.

RESPONSIBILITIES:

- Administrative: Multiple opportunities available depending on experience and interest.
- Academic: Advising and mentoring students, course coordination, classroom teaching, participation in course assignments in a team teaching environment, developing student objectives, participating in lab sessions, participating in clinical quality improvement, guiding student directed research, and establishing a personal program of scholarly activity.
- Clinical: Consists of seeing patients in a clinical practice appropriate to training and background for two half day sessions per week for 46 weeks annually.
- Service: Commitments will include maintaining an active role in state and national organizations supporting the educational mission of the program. Representing the Department and Division in intramural and extramural community activities to positively influence campus and community partners.

REQUIREMENTS:

- ARC-PA accredited PA program graduate
- Current NCCPA certification, eligibility for licensure in Oklahoma
- Master’s degree in PA studies or other discipline and doctoral preparation or pursuit preferred
- Two years of clinical experience
GENERAL INFORMATION:

The nationally recognized University of Oklahoma College of Medicine’s Physician Associate Program invites qualified faculty applicants for the Director for Didactic Education. The PA Program is academically housed in the Department of Family and Preventive Medicine and the Program Director and faculty are accountable to the Chair of the Department as well as to the College of Medicine’s Senior Associate Dean for Academic Affairs. The Oklahoma PA program, one of the first programs in the United States, is an accredited Master’s degree program. The majorities of students are from Oklahoma and stay in Oklahoma, but it attracts students from across the U.S.

The successful PA faculty candidate will be part of a highly motivated cohesive faculty of experienced educators working as an interdisciplinary team to deliver comprehensive PA curriculum focused on primary care and preparing students to practice in a variety of clinical settings. The successful candidate will work in collaboration with other PA faculty members within the Division to provide expertise and contribute to a collaborative working environment. This position will directly report to the Director for Didactic Education.

ADDRESS APPLICATION TO:

Letter of application and curricula vitae of interested candidates are being accepted immediately.

The position is for a Neurosurgery PA. Responsibilities include rounding in hospital and seeing patients in clinic.

Is an 8-5 position with little to no call responsibilities.

Salaried with benefits through Integris.

Please contact Kiana Stroh (405) 255-7526 or (405) 514-6535.

Company: Neuroscience Specialists
Position: Neurosurgery-Physician Assistant
Job Description: Large Neurosurgery group in Oklahoma City has an immediate need for a Physician Assistant. The Physician Assistant candidate will work closely with neurosurgeon(s), aiding with patient evaluations, including the completion of patient histories, physical examinations and consultations. Assist with neurosurgical procedures under the supervision of the surgeon. Participates in the coordination of discharge planning with all members of the healthcare team and acts as a resource. Typically this position divides time between the OR and the clinic. A rotating weekend
and evening call schedule is shared among the extenders and is a requirement of this position. Candidates must possess skills in establishing and maintaining effective working relationships with patients, medical staff and the public as well as the ability to react calmly and effectively in emergency situations.

**Required Education/Training:**
- Completion and graduation from an accredited Physician Assistant program.
- PA certification.
- Oklahoma licensure.

**Compensation:**
Is based on experience. New graduates are welcome to apply. Excellent benefits package for qualified candidates. Applicants should email their resume to star@neurosurg.org.

Epiphany Dermatology, a multistate network of dermatology clinics, has an opening for a Physician Assistant in the Oklahoma City area. Base salary with production bonus as well as benefits make this an attractive position.

Please direct any inquiries to: Raymond Cornelison, MD FAAD @ cornelison.r@gmail.com
