

## **OU Medical Center Breast Imaging of Oklahoma**

We are located at 2601 Kelley Pointe Parkway in Edmond. Kelley Pointe Parkway is two blocks north of 33rd Street on the west side of Kelly.

### **Coming from the south on 1-35: (OKC, Norman and beyond)**

Take 1-35 North through OKC to 1-235 past the Capitol and continue north as the road becomes 77 North (Broadway Extension). Take the Kelley Avenue Northbound exit off Hwy 77 as you come into Edmond. Go North on Kelley Avenue to the fourth stoplight (first light north of 33rd St. intersection). That light is Kelley Pointe Parkway. On the left, there is a rock sign that says Kelley Pointe, and landscaping at the entrance. After turning left onto Kelley Pointe Parkway, our building is the building directly in front of you. The building number is 2601. It is a two-story building with a black roof. You turn left into our parking lot. Our offices are the entire ground floor.

### **Coming from Midwest City or East of 1-35 on 1-40:**

Go west on 1-40 until you get to 1-35. Go north on 1-35 to the 33rd Street exit in Edmond. Take 33rd Street west (across the interstate) about five miles to Kelly (the first stoplight after the railroad tracks). Turn right and go north on Kelly about two blocks. The first place you can turn left into is our street Kelley Pointe Parkway. There is a stoplight, a rock sign that says Kelley Pointe, and landscaping at the entrance. After turning left onto Kelley Pointe Parkway, our building is directly in front of you. The building number is 2601. It is a two-story building with a black roof. You turn left into our parking lot. Our offices are the entire ground floor.

### **Coming from North 1-35 (Guthrie and beyond):**

Go south on 1-35 to the 15th Street exit in Edmond. Go right on 15th Street at the exit and travel west about five miles to Kelly (the first stoplight after the railroad tracks). Turn left on Kelly and go south about 3/4 mile. You will pass Kelley Pointe Drive and a big brown warehouse building on the right before getting to the stoplight at Kelley Pointe Parkway. There is a rock sign that says Kelley Pointe and landscaping at the entrance. After you turn right onto Kelley Pointe Parkway, our building is directly in front of you. The building number is 2601. It is a two-story building with a black roof. You turn left into our parking lot. Our offices are the entire ground floor.

### **Coming from West OKC (Lake Hefner, Yukon, West on 1-40):**

Take the John Kilpatrick Turnpike north and east around the north side of OKC until you get to the exit labeled Hwy 77 North to Edmond (This road is also called Broadway Extension). Shortly after getting on Hwy 77, you will see a Kelley Avenue Northbound exit. Take that exit and go north on Kelley Avenue to the fourth stoplight (first light north of 33rd St. intersection). That light is Kelley Pointe Parkway. On the left, there is a rock sign that says Kelley Pointe and landscaping at the entrance. After you turn left onto Kelley Pointe Parkway, our building is the building directly in front of you. The building number is 2601. It is a two-story building with a black roof. You turn left into our parking lot. Our offices are the entire ground floor.
