This course is supported in part by educational grants from industry, in accordance with ACCME standards.

At the time of printing, a complete list of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the time of the educational activity.

Sponsored by:       In conjunction with:
COURSE DESCRIPTION AND PURPOSE:
This activity is designed to foster improvements in physician knowledge, competence and performance when faced with non-urgent, urgent and life-threatening pediatric problems. We will use current evidence-based practice that is applicable across varied health care arenas. This fast-paced course will use not only traditional lecture format, but expert panel discussions and hands-on workshops to enhance knowledge base and skill set. Audience response systems will provide participants with immediate feedback, allowing the opportunity to reinforce comprehension and retention of key learning objectives. The course combines the latest in evidence-based medicine and best practice strategies relevant for the topics being addressed. A full syllabus of educational materials will be provided as a resource for those practitioners caring for pediatric patients with these challenges.

INTENDED/TARGET AUDIENCE:
Pediatrics, Family Medicine and Emergency Medicine Practitioners

COURSE GOAL:
To provide physicians with current evidence-based practice guidelines relevant to the field of Pediatric Emergency Medicine, augmenting the skill set and knowledge base needed to care for non-emergent, urgent and emergent pediatric conditions.

GENERAL OBJECTIVES:
Upon completion of the conference, participants should be able to improve physician competence, performance and patient outcomes by being able to:

1. Apply evidence-based medicine to physician practice pertaining to urgent and emergent pediatric conditions.
2. Use appropriate resources for defining and improving the standard of care provided when encountering pediatric emergencies.
3. Describe, disperse and apply up-to-date medical knowledge in the area of pediatric emergency medicine.
4. Evaluate and improve the safety and quality of hospital-based emergency care, emergency medical services and generalized emergency care for children.
5. Identify opportunities for participants to maintain or improve current abilities by reviewing and reinforcing their cognitive and technical skills for medical practice.
6. Relate information on recent developments in theory, diagnosis and management of pediatric medical and surgical emergencies.
7. Describe alternative management strategies and discuss controversial issues you encounter in daily practice.

CONFERENCE PRESENTERS/PANELISTS
Richard Cantor, M.D., FAAP/FACEP
Keynote Speaker
Director of Pediatric Emergency Medicine

Accreditation Statement:
The University of Oklahoma College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The University of Oklahoma College of Medicine designates this live activity for a maximum of 10.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Conflict Resolution Statement:
The University of Oklahoma College of Medicine, Office of Continuing Professional Development has reviewed this activity’s speaker and planner disclosures and resolved all identified conflicts of interest, if applicable.

Equal Opportunity Statement:
The University of Oklahoma is an equal opportunity institution. www.ou.edu/eoo

Accommodations Statement:
Accommodations on the basis of disability are available by contacting Ruth McCollough at 405-271-4401 or ruth-mccollough@ouhsc.edu as soon as possible.

Policy on Faculty and Sponsor Disclosure:
It is the policy of the University of Oklahoma College of Medicine that the faculty and sponsor disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). Detailed disclosures will be made in the course handout materials.

Disclaimer Statement:
Statements, opinions and results of studies contained in the program are those of the presenters/authors and do not reflect the policy or position of the Board of Regents of the University of Oklahoma (“OU”) nor does OU provide any warranty as to their accuracy or reliability.

Every reasonable effort has been made to faithfully reproduce the presentations and materials as submitted. However, no responsibility is assumed by OU for any claims, injury and/or damage to persons or property from any cause, including negligence or otherwise, or from any use or operation of any methods, products, instruments, or ideas contained in the material herein.

HOTEL ACCOMMODATIONS FOR MAY 15 AND MAY 16:
Residence Inn by Marriott Oklahoma City Downtown/Bricktown is offering discounted rates for conference attendees on May 15 and May 16.

When making reservations via 1-800-331-3131 or 405-601-1700, please reference PSCC.

Hotel room rate is $159 and is subject to applicable local sales tax and occupancy taxes. Reservations must be received on or before April 18, 2014. After the deadline, reservations will be accepted on a space/price-available basis.

Residence Inn by Marriott Oklahoma City Downtown/Bricktown
400 E. Reno Ave., Oklahoma City, OK 73104
Telephone: 405-601-1700, Toll-free 1-800-331-3131
Directions:
