

CLINICAL PSYCHOLOGY POSTDOCTORAL RESIDENCY PROGRAM TABLES

Postdoctoral Program Admissions

Date Program Tables are updated: 10/9/18

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The Clinical Psychology Residency Consortium is accredited by the American Psychological Association. It has several emphasis areas in child and adult clinical psychology located at the University of Oklahoma Health Sciences Center and the OKC VA Health Care System. The aim of the Clinical Psychology Residency program is to provide the Residents with advanced skills and competencies necessary to function independently as licensed health service psychologists.

Describe any other required minimum criteria used to screen applicants:

Applicants must have completed all requirements of an APA-approved doctoral program in clinical or counseling psychology, a one-year APA accredited clinical internship and be a US citizen for the general adult track. Applicants from outside the United States or Canada, on a case-by-case basis.
