The doctors here work very hard to help children who are sick.
The nurses help children who are sick too! And they are always very nice.
When I visit the hospital, my baby brother or sister is in a bed like this:
When I'm close up, the bed looks like this:
Draw a picture of your whole family.
Doctors have lots of special machines that will help your brother or sister.
Find Chipper by connecting the dots.
Chipper loves spending time with babies at The Children's Hospital!
