Trauma Symposium
THE MANY ASPECTS OF TRAUMA

Friday, April 28, 2017
Samis Education Center
1200 Children’s Ave.
Oklahoma City, OK 73104
(adjacent to The Children's Hospital atrium)
Leading health care - now and for the future.

Description
Our annual spring symposium is a one-day conference with an agenda built upon a theme. It incorporates items from the previous year’s evaluations, unusual patients cared for in the past year, emerging trends in the field of trauma care and examples of best practices that will be helpful to caregivers of trauma patients. This is our opportunity to share knowledge with other professionals, build rapport and support professional relationships, and to welcome attendees to our facility.

Learning objectives
This activity is designed for trauma and emergency care physicians, physician extenders, RNs, EMTs and RTs. Additional audiences welcome to attend are: LPNs, PTs, OTs, SLPs, radiology techs, medical and nursing students. Upon completion of this course, participants will be able to:

1. Recognize the signs/symptoms and treatment for rhabdomyolysis
2. Differentiate sports injuries by gender
3. Recognize the role of the trauma center in the state of Oklahoma
4. Understand the indications to place a chest tube or needle decompression prior to transport of a critically injured trauma patient
5. Recognize child abuse as a non-accidental trauma

Questions regarding registration: please call 405-271-3566

All requests for registration refunds must be submitted in writing and received by April 14, 2017. All fees will be refunded with the exception of $25 (per registration) to cover administrative and program costs. No refunds will be made after April 14. Registrants who cannot attend may send a substitute in their place.
Purpose
The purpose is to advance knowledge of the health care system response to management of mass casualties, collaborate on the implementation and development of best practices in trauma care, educate prehospital and acute care providers on a regular, recurring basis, and sponsor coordinated forums for feedback to enhance accountability and adherence to best practices.

Accreditations
Attendees should claim only the credit commensurate with the extent of their participation in the activity.

EMS: Oklahoma State Department of Health, Emergency Services has granted program approval for eight continuing education credits for all levels of EMTs.

Nurses: OU Medical System is an approved provider of continuing nursing education by the Western Multi-State Division, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Physical and occupational therapy: Application for continuing education has been made to the Oklahoma Board of Medical Licensure and Supervision.

Respiratory therapy: Application for continuing education has been made to the Oklahoma Board of Medical Licensure and Supervision.

Physicians:

CONTINUING MEDICAL EDUCATION CREDIT INFORMATION

Accreditation
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Surgeons and OU Medicine. The American College of Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

AMA PRA Category 1 Credits™
The American College of Surgeons designates this live activity for a maximum of 6.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
0730-0800  Registration
0800-0815  Welcome and Frame the Day
Kris Wallace, Chief Operating Officer, OU Medical Center
0815-0845  From Scene to Trauma Center, How Does Oklahoma Rank?
Roxie Albrecht, MD
0845-1015  A Journey of Purpose (Keynote Speaker)
Silouan Green, Trauma Survivor
1015-1030  BREAK
1030-1115  Backboard, C-collars and Trauma, Oh My – Spinal Injury/Immobilizations
Justin Hunter, FP-C
1125-1155  BREAKOUT SESSIONS
• Pre-hospital/ED: B1 (basement)
  To Treat or Not to Treat, That is the Question – Hemo/Pneumothorax
  Aaron Scifres, MD
• Inpatient Care: Auditorium
  Too Much, Too Little, or Just Right - Fluid Volume Assessment
  Alisa Cross, MD
1155-1245  LUNCH
1245-1500  CONCURRENT SESSIONS
  1245-1500  Pre-hospital / ED Staff (preregistered participants): Garrison Tower
  Trauma Simulation
  Jason Lees, MD; Justin Hunter, FP-C; Bryan Jones, FP-C; Roger Smith, EMT-P
  1245-1315  Breakdown - Rhabdomyolysis
  Carey Hill, MD
  1315-1345  How Do You Know When Enough Is Enough? Futility
