ITEMS TO BRING TO YOUR CLINIC APPOINTMENT

Appointment Date Time Provider

- A biological parent or legal guardian must attend the initial appointment with a minor child and present a driver's license or other official photo ID. Very limited exceptions apply.
Complete list of medications
New patient forms: For your convenience, we have included most of the forms that a new patient in the practice is required to complete. Please either complete these in advance or arrive at the clinic at least 30 minutes prior to your appointment time and we will be happy to assist you.
Medical records as requested by the schedulers. Please bring copies of x-rays and/or CT/MRI studies. A digital copy on disc is preferred.
Free public access WiFi is available in the lobby for personal digital devices.
